Re: Notice of Ex Parte Presentation

Preserving the Open Internet, GN Docket No. 09-191;
Framework for Broadband Internet Service; GN Docket No. 10-127

December 13, 2010

Dear Ms. Dortch:

On Friday, December 10, 2010, as a representative of the Organization for Chinese Americans, Inc. (OCA), George Wu called the Commission to speak to Commissioner Copps regarding issues related to the proceedings referenced above. Commissioner Copps was unable to take the call so Mr. Wu left a voicemail message.

The purpose of the message for Commissioner Copps was to express support for Chairman Genachowski's draft Open Internet order, to urge Commissioner Copps to ignore calls for more radical regulation, and to ask Commissioner Copps to support Chairman Genachowski's compromise proposal because it will be beneficial to National Broadband Plan objectives.

Sincerely,

George Wu
